

## Managed Account Project Authorization

This Authorization is Trading authorizer to authorize Trading agent on behalf of the foreign exchange transaction, has the force of the law, please be really careful before signing.

Account holder's name: : **You Full Names** (Hereinafter referred to as Trading authorizer)

Account holder's MT4 account number: **Your USGFX Account**

Authorizes Trading agent: **ABCDxxxx** (Hereinafter referred to as Trading agent)

Foreign exchange dealer: UNION STANDARD INTERNATIONAL GROUP PTY LTD (Hereinafter referred to as USG)

### The terms of Limited Power of Attorney

1. Trading authorizer hereby authorizes the Undersigned **ABCDxxx** as his/her Trading agent, hereby formally approves and confirms So far henceforth be Trading Agent on behalf of the transaction authorization or sale of precious metals, foreign exchange, CFDs (Hereinafter referred to as margin trading) transactions authorized account to the USG or otherwise manage the account and risk of the transactions authorized; as Trading agent and Trading authorizer, the risk rests with the transaction authorization alone.
2. USG is authorized to follow the instructions of the Trading Agent in every respect concerning the Trading Authorizer's account with USG, and to authorize the Trading Agent on behalf of the Trading Authorizer, Trading Agent's method, effectiveness and function is the same as Trading Authorizer's method, effectiveness and function. USG do not have any responsibilities for complying instructions of Trading Agent and Trading Authorizer shall not attempt to allow USG to take responsibilities for the act or omission of Trading Agent. Except that said Trading Agent is not authorized to withdrawal any more, securities, or other property either in the name of undersigned or otherwise. Such agents are not employees of USG, and act as agents for Trading Authorizer, and as such, it is Trading Authorizer's responsibility to request from the Trading Agent statements on account status and details regarding the overall management of the account, and the undersigned Trading Agent is obligated to provide, upon Trading Authorizer's request, such account information and account statements using report features as provided by USG. Trading Authorizer should carefully review these statements on a daily basis, and if Trading Authorizer has any questions, he/she will contact with USG immediately. Any discrepancies on account statement must be reported to USG, in writing, within 24 hours of its occurrence.
3. Trading agent applies with MAM (Multi-Account Manager) that provided by USG to execute the Managed Account operation for Trading authorizer; Trading agent must provide trading authorizer the daily transactions and activities report. When Trading authorizer submits the closing requirement, any transactions in his/her account will still be under restrictions before the account settlement completion of the latest closing time. The Margin Setting of Managed Account will be decided by Trading agent and approved by USG.
4. Because the risk factor associated with trading in the Forex Margin Transaction market is high, only genuine "risk" funds should be used in such trading. If the Trading authorizer does not have the extra capital the Trading authorizer can afford to lose the Trading authorizer should not trade in the Forex Margin Transaction market. The Trading authorizer understands that the Trading agent may use an electronic trading system or intelligent trading program (EA) to issue of trading information to conduct transactions, which exposes the Trading authorizer to risks associated with the use of computers, and data feed systems relied on by USG. The Trading authorizer agrees to accept such risks, which includes that no "safe" trading system has ever been devised; no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of the losses, but are not limited to failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors, and further agrees with these risk-related losses in the Trading authorizer's account, the USG will be exempt from responsibility. If not due to willful or malicious misconduct, the USG or its officers, directors, production and marketing suppliers, employees, agents, related parties or USG personnel shall not be responsible for such failures or errors.
5. Trading Authorizer hereby declares that USG is not related with all liabilities, claims, losses, damages, costs and expenses, including fees arising directly or indirectly and any conflicts and dissensions that occurred between Trading Authorizer and Trading Agent, also, Trading Authorizer will not look into any responsibilities to USG. Trading Authorizer hereby agrees to hold USG and its associated companies, employees, agents, successors and assigns harmless from any damages.

6. Trading authorizer agrees that, in the absence of willful or wanton misconduct, neither USG nor any of its officers, directors, production and marketing suppliers, employees, agents, related parties or USG personnel will be held liable for any act or omission in the course in Trading agent's Program. Trading authorizer will not claim for compensation to USG and its principals, officers, directors, employees, agents, successors and assignee of all transactions, resulted losses or liability that generated by this Limited Power of Attorney (including reasonable attorneys' or accountant's fees).
7. Trading authorizer and Trading agent may revoke or terminate the trading authority over Trading authorizer's account at any time only upon written notice to USG. In the event that USG receives such written notice from Trading authorizer or Trading agent, USG will notify the other party to this agreement of the revocation or termination. USG may also terminate Trading agent's trading authorization over Trading authorizer's account at any time for any reason in its sole discretion. In the event USG terminates Trading agent's trading authorization over Trading authorizer's account, USG will provide written notice to both Trading authorizer and Trading agent.
8. This authorization and indemnity is a continuing one and shall remain in full force and effect until revoked by the Trading authorizer by a written notice addressed to and also delivered to USG, but such revocation shall not affect any liability in any way resulting from transactions initiated prior to such revocation. This authorization and indemnity shall inure to the benefit of USG and that of USG's agents, successors and assigns. This authorization and indemnity shall further inure to the benefit of Trading agent and of any successor Trading agent, irrespective of any change or changes at any time in the personnel thereof for any causes whatsoever, and of the assigns of Trading agent or any successor Trading agent.

### **Program Platform Service Provider/Intermediary Brokerage Service Provider Disclosure**

1. USG and Programming platform service provider/Intermediary brokerage service provider are wholly separate and independent from one another. The AGREEMENT between USG and Programming platform Service provider/Intermediary brokerage service provider does not establish a joint venture or partnership and Programming platform service provider is not an agent or employee of USG.
2. USG does not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice Trading authorizer may have received or may receive in the future from Programming platform service provider/Intermediary brokerage service provider or from any other person not employed by USG regarding foreign currency or exchange ("USG") trading or the risks involved in such trading.
3. USG provides risk disclosure information to Trading authorizer when he/she opens account. Trading authorizer should read that information carefully, and should not rely on any information to the contrary from any other source.
4. Trading authorizer acknowledges that no promises have been made by USG or any individual associated with USG regarding future profits or losses in Trading authorizer's account. Trading authorizer understands that USG trading is very risky, and that many people lose money trading.
5. If Programming platform service provider/ Intermediary brokerage service provider or any other third party provides Trading authorizer with information or advice regarding USG trading, USG shall in no way be responsible for any loss to Trading authorizer resulting from Trading authorizer's use of such information or advice.
6. To the extent Trading authorizer has previously been led to believe or believes that utilizing any third party trading system, course, program, research or recommendations provided by Programming platform service provider/ Intermediary brokerage service provider or any other third party will result in trading profits, Trading authorizer hereby acknowledges, agrees and understands that all Forex trading, including trading done pursuant to a system, course, program, research or recommendations of Programming platform service provider/ Intermediary brokerage service provider or another third party involves a substantial risk of loss. In addition, Trading authorizer hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of Programming platform service provider/ Intermediary brokerage service provider or another third party will not necessarily result in profits, avoid losses or limit losses.
7. Trading authorizer understands that Programming platform service provider/ Intermediary brokerage service provider and many third party vendors of trading systems, courses, programs, research or recommendations are not regulated by a government agency.
8. Because the risk factor is high in foreign currency transactions trading, only genuine "risk" funds should be used in such trading. Trading Authorizer should not trade in the foreign currency markets if Trading Authorizer does not have the extra capital can afford to lose.
9. Trading authorizer understands and acknowledges that USG may compensate Programming platform service provider/ Intermediary brokerage service provider for introducing Trading authorizer to USG and that such compensation may be on a per-trade basis or other basis. Such compensation to the Programming platform service provider/ Intermediary brokerage service provider may require the Trading authorizer to incur a markup, above and beyond the ordinary spread generally provided by USG. Such remuneration may be arising from interest conflicts due to the programming platform service provider / intermediary brokerage service provider, because the programming platform service provider / intermediary brokerage service provider has a motive of concluding the transaction to gain remunerations. Trading authorizer understands and accepts this conflict of interest, and will not

raise objections to USG for such conflicts. Further, the Trading authorizer has a right to be informed of the precise nature of such remuneration.

10. USG does not endorse or vouch for the services provided by the Referring Broker. Since Programming platform service provider/ Intermediary brokerage service provider is not an employee or agent of USG, it is the account holder's responsibility to perform necessary due diligence on the Programming platform service provider/ Intermediary brokerage service provider prior to using any of their services.
11. Trading authorizer understands and agrees that if Trading authorizer's account with USG is introduced by Programming platform service provider/ Intermediary brokerage service provider that Programming platform service provider/ Intermediary brokerage service provider may be provided access to certain personal information about Trading authorizer as well as certain information concerning trading activity in Trading authorizer's USG account. Programming platform service provider/ Intermediary brokerage service provider shall not have the right to enter into any trades on Trading authorizer's USG account unless specifically authorized by Trading authorizer through execution of a limited power of attorney granting Programming platform service provider/ Intermediary brokerage service provider authority to make trading decisions for Trading authorizer's account.

### The Terms of the Trading Agreement

The undersigned hereby ratifies and confirms any and all trading execute by Trading agent and or Trading authorizer's account with USG heretofore and hereafter made by Trading agent on behalf of or for the Account of the undersigned.
